On September 30, Governor Abbott announced that the Texas Division of Emergency Management (TDEM), in partnership with local officials, will open a new COVID-19 therapeutic infusion center in Burnet. The facility opens to the public tomorrow and has been provided with monoclonal antibodies to treat outpatient cases of COVID-19 with a doctor's referral. This treatment is available at no cost to the patient. Local partners include Burnet County, Baylor Scott & White Health Hill Country and the City of Burnet.

Governor Abbott, TDEM, and the Texas Department of State Health Services (DSHS) have established and expanded antibody infusion centers in communities across the state over the past several months. COVID-19 antibody infusion treatment can prevent a patient's condition from worsening and requiring hospital care. These facilities also help increase bed capacity in hospitals so that resources are available for the most ill patients. The State deployed similar measures beginning in November 2020 to communities across Texas.

The treatment is free and available to Texans who test positive for COVID-19 and have a referral from a doctor. Texans can visit meds.tdem.texas.gov to find a therapeutic provider.

State-sponsored infusion centers are currently operating in the following communities, with more in the planning stages:

- Amarillo (TDEM)
- Austin (DSHS)
- Beaumont (TDEM)
- Burnet (TDEM)
- College Station (TDEM)
- Corpus Christi (DSHS)
- Edinburg (TDEM)
- Fort Worth (DSHS)
- Harlingen (TDEM)
- Houston (DSHS)
- Laredo (DSHS)
- Livingston (TDEM)
- Lubbock (TDEM)
- McKinney (TDEM)
- Nacogdoches (TDEM)
- Nash (TDEM)
- Odessa (TDEM)
- San Antonio (DSHS)
- Seguin (TDEM)
- Tyler (TDEM)
- The Woodlands (DSHS)
- Victoria (TDEM)
- Waco (TDEM)

These state-sponsored infusion centers are in addition to the infusion treatment centers provided by more than 200 private health providers across the state.

On September 30, Governor Abbott announced that the Texas Health and Human Services Commission (HHSC) is providing almost \$294 million in emergency Supplemental Nutrition Assistance Program (SNAP) food benefits for the month of October as the state continues its response to the COVID-19 pandemic. The allotments are expected to help more than 1.4 million Texas households.

HHSC received federal approval from the U.S. Department of Agriculture (USDA) to extend the maximum, allowable amount of SNAP benefits to recipients based on family size, and all SNAP households will receive a minimum of \$95 in emergency allotments. This additional emergency allotment should appear in recipients' accounts by October 31.

The emergency October allotments are in addition to the more than \$4.5 billion in benefits previously provided to Texans since April 2020.

Administered by HHSC, SNAP is a federal program that provides food assistance to eligible low-income families and individuals in Texas. Texans in need can apply for benefits, including SNAP and Medicaid, at YourTexasBenefits.com or use the Your Texas Benefits mobile app to manage their benefits.

On September 29, Governor Abbott announced that the Texas Division of Emergency Management (TDEM), in partnership with local officials, launched a new COVID-19 therapeutic infusion center in College Station. The infusion center opens to the public Thursday, September 30 and has been provided with monoclonal antibodies to treat outpatient cases of COVID-19 with a doctor's referral. This treatment is available at no cost to the patient. Local partners include Brazos County, the City of College Station, the City of Bryan, and St. Joseph Health Hospital.

On August 26, Governor Abbott announced that DSHS will be deploying an additional 2,500 medical staff to support health care facilities in Texas, including hospitals and nursing homes. This will bring the total number of medical personnel deployed across the state to 8,100. In addition, DSHS is providing medical equipment requested by Texas medical facilities including ventilators, oxygen concentrators, heart monitors, IV pumps, feeding pumps, and hospital beds.

On August 25, Governor Abbott issued an Executive Order maintaining the current policy prohibiting the mandating of any COVID-19 vaccinations by any government entity in the State of Texas. Additionally, the Governor added to the Special Session agenda the issue of whether any state or local governmental entities in Texas can mandate that an individual receive a COVID-19 vaccine and, if so, what exemptions should apply to such mandate. Read the Governor's Executive Order. Read the Governor's message to the Legislature.

On August 24, Governor Abbott announced that HHSC has received approval from the

USDA for a third round of federal Pandemic Electronic Benefit Transfer (P-EBT) food benefits for families with children who have temporarily lost access to free or reduced-price school meals due to COVID-19.

On August 23, the U.S. Food and Drug Administration (FDA) approved the first COVID-19 vaccine. The vaccine has been known as the Pfizer-BioNTech COVID-19 Vaccine and will now be marketed as Comirnaty (koe-mir'-na-tee), for the prevention of COVID-19 disease in individuals 16 years of age and older. The vaccine also continues to be available under emergency use authorization (EUA), including for individuals 12 through 15 years of age and for the administration of a third dose in certain immunocompromised individuals.

On August 19, Governor Abbott announced that DSHS and TDEM will deploy additional medical personnel and launch more COVID-19 antibody infusion centers across the state over the next week. Currently, there are more than 140 providers that are providing antibody treatments at hospitals and clinics across the state.

On August 18, Governor Abbott announced additional federal coronavirus relief assistance payments from the American Rescue Plan Act (ARPA) will begin this week for populations under 50,000. For more information or to apply for CLFRF, please visit <https://tdem.texas.gov/clfrf/>.

On August 13, Governor Abbott announced that DSHS and TDEM are launching nine COVID-19 antibody infusion centers throughout the state.

On August 11, Governor Abbott announced that DSHS has arranged for the deployment of more than 2,500 medical personnel to help hospitals care for the increasing number of COVID-19 patients across Texas. This operation follows the Governor's directive earlier this week that DSHS utilize staffing agencies to provide out-of-state medical personnel to Texas health care facilities to mitigate the surge of COVID-19 cases in Texas. This first deployment of personnel will be fully funded by the state through September 30. Texans can visit covidvaccine.texas.gov to find a COVID-19 vaccine provider near them.

On August 9, Governor Abbott announced a series of actions the State of Texas is taking to mitigate the recent rise in COVID-19 cases in Texas. DSHS will be utilizing staffing agencies to provide medical personnel from out-of-state to Texas health care facilities to assist in COVID-19 operations. The Governor has also sent a letter to the Texas Hospital Association asking hospitals to voluntarily postpone elective medical procedures, for which a delay will not result in loss of life or the deterioration of a patient's condition, in order to increase hospital capacity for COVID-19 patients.

On August 9, Governor Abbott announced that HHSC is providing approximately \$267 million in emergency SNAP food benefits for the month of August as the state continues its response to the COVID-19 pandemic.

On July 30, Governor Abbott issued a proclamation renewing the declaration stating the novel coronavirus (COVID-19) poses an imminent threat of disaster for all counties in Texas.

On July 29, Governor Abbott issued an Executive Order (GA-38) combining several

existing COVID-19 executive orders to promote statewide uniformity and certainty in the state's COVID-19 response.

On July 28, Governor Abbott issued an Executive Order restricting ground transportation of migrants who pose a risk of carrying COVID-19 into Texas communities. The Executive Order also directed the Texas Department of Public Safety (DPS) to stop any vehicle upon reasonable suspicion of such violation and reroute such vehicles back to its point of origin or a port of entry. DPS also has the authority to impound a vehicle that violates the Executive Order.

On July 14, Governor Abbott announced the Texas HHSC is receiving more than \$210 million in federal emergency grants from the Substance Abuse and Mental Health Services Administration for mental health and substance use disorder services to respond to the COVID-19 pandemic. For more information about resources available to Texans who are struggling with mental health issues and substance use, visit the [Mental Health and Substance Use webpage](#).

On April 6, Governor Abbott announced that TDEM, DSHS, and TMD have announced 46 counties participating in the sixth week of the Save Our Seniors COVID-19 vaccine initiative. To date, 107 counties have participated in the program.

On April 6, Governor Abbott issued an Executive Order prohibiting state agencies or political subdivisions in Texas from creating a "vaccine passport" requirement, or otherwise conditioning receipt of services on an individual's COVID-19 vaccination status. The order also prohibits organizations receiving public funds from requiring consumers to

provide documentation of vaccine status to receive any service or enter any place.

On March 30, Governor Abbott announced that TDEM, DSHS, and Texas Military Department (TMD) have announced 35 counties participating in the fifth week of the Save Our Seniors COVID-19 vaccine initiative. The Governor announced the Save Our Seniors program in Corpus Christi lastmonth to provide vaccines to seniors throughout the state. To date, 98 counties have participated in the program.

On March 30, Governor Abbott and TDEM announced the creation of a COVID-19 Rapid Testing Program for Texas youth summer camps. Through this program, TDEM will provide participating summer camps with COVID-19 rapid antigen tests that will be administered to staff and campers who volunteer to participate.

On March 26, Governor Abbott and TDEM have requested an extension of the Federally Supported Community Vaccination Centers in Arlington, Dallas, and Houston. Originally launched in February, these federal pilot sites are based at E Sports Stadium, Fair Park, and NRG Stadium, and are part of a joint effort to support vaccination efforts in underserved areas. The sites are operated by FEMA in partnership with the state of Texas through TDEM and local officials. TDEM submitted the request on March 22 for an extension of supplies, personnel, and vaccine. A request was also made on March 19 to establish a similar community vaccination site at the Alamodome in San Antonio. FEMA denied this request.

On March 26, Governor Abbott announced that ten million COVID-19 vaccines have been administered to Texans across the state, with over 30% of eligible Texans having received a vaccine. This significant milestone is a result of dedicated work by TDEM, DSHS, TMD, and the healthcare workers and volunteers across the state who have helped administer these vaccines.

On March 25, Governor Abbott announced a new outreach partnership between the HHSC and partners to enhance the state's Save Our Seniors program. The partnership includes the Texas Employee Retirement System, the Texas Teachers Retirement System, AARP, and Medicare health plans. Participating Medicare health plans include UnitedHealthcare, Humana, and Blue Cross Blue Shield of Texas.

On March 23, Governor Abbott announced that TDEM, DSHS, and TMD have confirmed 25 participating counties for the fourth week of the Save Our Seniors initiative.

On March 23, DSHS announced that they have directed vaccine providers to prioritize people 80 years old or older when scheduling appointments and accommodate anyone in that age group who presents for vaccination, whether they have an appointment, by immediately moving them to the front of the line.

On March 16, Governor Abbott announced that TDEM, DSHS, and TMD have confirmed 28 participating counties for the third week of the Save Our Seniors initiative.

On March 9, Governor Abbott announced that TDEM, DSHS, and TMD have announced 34 counties participating in the second week of the Save Our Seniors COVID-19 vaccine initiative.

On March 4, Governor Abbott, and the Texas Education Agency (TEA) announced that the State of Texas will provide a "hold harmless" to Texas school systems for the rest of the 2020-2021 academic school year only. Districts will be funded on attendance in line with projections made prior to the public health crisis. This will ensure that school systems in Texas can retain their teachers for the 2020-21 school year for whom they originally budgeted. This final semester of hold harmless means districts have been held harmless for three consecutive semesters — Spring Semester of the 2019-20 academic year and the entirety of the 2020-21 academic year.

FINAL COMMENTS: The State Operations Center (SOC) remains at Level II (Escalated Response Conditions). The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

Level I (Emergency Conditions)
Level II (Escalated Response Conditions)
Level III (Increased Readiness Conditions)
Level IV (Normal Conditions)

This Situation Report can also be found on the TDEM webpage at:
